WHAT WE MAKE

Six ways to put your name on it.

Embroidery

Logos stitched on polos, caps, jackets, beanies and bags for company uniforms, schools, churches and teams.

Custom Apparel

DTF printing, screen printing and heat-transfer vinyl on tees, hoodies and performance wear. Vivid color, soft feel.

Promotional Products

Tumblers, pens, bags, power banks and trade-show giveaways — curated swag that actually gets used.

One shirt or ten thousand — there is **no minimum** on most items, and every order gets a free proof before anything is produced.

Laser Engraving

Wood, glass, metal, leather, slate and acrylic. Tumblers, knives, cutting boards, signs and gifts in photo-grade detail.

Awards & Recognition

Crystal and glass awards, engraved plaques and trophies for employee recognition, sales milestones and retirements.

Personalized Gifts

Weddings, birthdays, anniversaries, graduations and holidays — keepsakes they'll actually hold onto.
